

Construction Checklist

Single- & Two-Family Dwellings

At the completion of the work, prior to the issuance of a certificate of occupancy, the licensed construction supervisor, registered professional or homeowner (responsible party), as applicable, shall submit a completed copy of this checklist to the building official and/or state in verification that, to the best of his/her knowledge, the work has been executed in accordance with the provisions of the applicable state building code (code) and reference standards. The date shall indicate the date on which the responsible party viewed the building activity to ensure compliance with the code and/or reference standards. This date may or may not correspond to the date on which the activity was inspected for compliance by the municipal and/or state building official.

No.	Activity	Date	Note any deficiencies that were discovered (if any) and corrective action taken to ensure compliance with the code and/or reference standards.
