

**Boylston Waste and Recycling Committee  
Meeting Minutes for November 20, 2023**

Date: November 20, 2023

Time: 6PM

Location: Town House, Upper Level, 599 Main St. Boylston

Committee Member Attendees: George Barrette, Kathy Johnson, Larry Iannetti, Irving Carter

Guest Attendees: Irene Congdon, Central District Municipal Assistance Coordinator, Mass DEP and Dennis Costello, Boylston Board of Health Agent

The meeting was called to order by Chairperson Barrette at 6:00PM.

Motion by Mr. Carter to accept the meeting minutes of October 23, 2023, seconded by Mr. Iannetti. Minutes passed unanimously.

The Committee members discussed the status of the citizen survey, which was finalized and scheduled to go out with the town-wide census in January 2024, expecting results to be returned for compilation in February and March 2024. They also discussed finalizing an update to the Committee's information on the Town website.

The Committee discussed the Hauler Regulations suggested as a best practice by Mass DEP with Ms. Condon and Mr. Costello, which had been recently updated and adopted by area towns. Adoption of the regulations would allow for consistency for haulers from town to town and add 1 point to Town of Boylston's state grant qualifications. A motion was made to recommend the draft Hauler Regulations to the Board of Health for their consideration by Ms. Johnson, seconded by Mr. Carter, which passed unanimously.

The Committee set their next meeting for January 22, 2024 at 6pm.

A motion was made by Ms. Johnson to adjourn the meeting, seconded by Mr. Iannetti. The motion passed unanimously. The meeting was adjourned at 7:16PM.
