POLICY AND PROCEDURES

1. Septic Systems Inspections, Component Inspections and Certificate of Compliance:

Application for Septic System or Component Replacement must be submitted to the Board of Health Office located at 221 Main Street.

Schedule inspection by calling the Board of Health Office at (508) 869-6828. Please allow 24 to 48 hours after calling the Board of Health Office for inspection.

Schedule of Septic System Inspections:

- Bottom of excavation of tank(s).
- Bottom of excavation of leaching facility.
- Fill material/with certification and current sieve analysis.
- Aggregate material/with certification of product per Title 5 using (A.A.S.H.T.O. Test methods T-11 and T-27) latest edition.
- Leaching facility.
- D-box and piping.
- Septic tank/pump chamber.
- Pumps and piping.
- Electrical panel for pump(s).
- Wet pump test.
- Final grading and sloping.
- New technology set-ups.
- New technology O and M review.

Completed paperwork for a Certificate of Compliance must be brought to the Board of Health Office seven (7) days prior to issuance.

Any incomplete items during an inspection will result in a re-inspection fee of \$75.00 per item, payable at the Board of Health Office before the next inspection.

2. Permit Policy:

Failure to pull a permit or license will result in the doubling of the permit fee.
