TOWN MEETING GLOSSARY

For your information, courtesy of the Boylston Board of Assessors

APPROPRIATION - Funds set aside by Town Meeting for a specific purpose, e.g. dump truck, or for a department, e.g. the Police Department

CHERRY SHEET - Named for the original color of the paper on which the state Department of Revenue printed its estimate of aid, as well as the amount of state and county assessments. Assessors must use cherry sheet estimates in developing the tax rate.

FISCAL YEAR - Massachusetts's cities and towns are required to operate on a fiscal- rather than calendar year basis. The state government's year runs from July 1 to June 30, and is referred to by the year in which June 30 falls; for example, fiscal year 1999 runs from July 1, 1998, through June 30, 1999.

FREE CASH - Funds available from the operations of the previous year including unspent appropriations unspent budget line items plus or minus the change in unpaid property taxes at year-end.

LOCAL RECEIPTS - Locally generated revenues, other than real and personal property taxes, including motor vehicle excise, investment income, fees, and charges.

LOCAL AID - Revenue allocated by the state to cities and towns, and school districts. Most aid is not restricted in purpose. Estimated aid is sent to cities and towns annually on the cherry sheets.

LEVY LIMIT - Under Proposition 2-1/2, the maximum amount a town can levy as taxes in a given year. A town may only increase its levy limit by 2-1/2 percent annually, plus new growth and any overrides.

NEW GROWTH - The taxing capacity added by new construction and other increases in the property tax base.

OVERLAY - The amount raised by the assessors, independent of Town Meeting, for a fund to cover property tax abatements that they granted during the fiscal year.

OVERRIDE - A referendum procedure by which a community, by popular vote, can either permanently increase its levy limit ("general override") or raise its levy limit to finance specific projects ("debt exclusion" or "capital outlay exclusion").

RESERVE FUND - Fund established at annual Town Meeting to cover extraordinary or unforeseen expenses during the fiscal year. Transfers require the approval of the Finance Committee.

STABILIZATION FUND - A town's savings account for "rainy days." Funds may be transferred for any legal purpose, but only by a two-thirds vote of those present at a town meeting.

TRUST FUNDS - Money given to the town, usually for specific purposes. The donor may specify if the original gift (the principal) or income derived from investing the principal may be used. For gifts where use is restricted, no Town Meeting approval is required, since the donor's wishes may not be overridden. Spending restricted funds for the designated purpose requires only the approval of the applicable governing body, e.g., the selectmen, school committee, or library trustees. The expenditure of unrestricted gifts or income thereof requires the approval of Town Meeting.

WARRANT - A document that sets forth the matters to be put in front of a Town Meeting for voters' consideration.
