Date of Meeting: Wednesday, July 26, 2017
Location: Town Hall, 221 Main Street
Time: 8:00 AM – 8:20 AM
Members Present: Chairman James Wood; James Underwood; Marty McNamara, Town Administrator; April C. Steward, Administrative Assistant to the Board
Members Absent: Michael May

The meeting commenced at 8:00 AM.

Discussion on the Inter-Departmental Transfer of 17 Acres to the Conservation Commission:

The Bill is at the third reading in the Senate. This is when the bill goes before the attorney's for review. This same issue stalled the bill in January, 2017. The problem is that if you take anything out of conversation status you need to put another piece of land back into conservation status. The BOS has already been talking about transferring a parcel of land to Conservation Commission in the East Woods area. The BOS will need to vote to transfer the land over to the Conservation Commission in order for the parcel on Elmwood Place to be removed from Conservation status and to proceed with the preparation of an RFP and sale of the parcel on Elmwood Place.

Jamie Underwood motioned to approve an inter-departmental transfer of a parcel of 27 acres of town owned land shown on Assessor's Map 56, Parcel 14 and recorded at the Worcester Registry of Deeds, Book.2872, Page 406 to the Conservation Commission for conservation and passive recreation purposes; Jim Wood seconded; voted all in favor.

At 8:20 AM Jamie Underwood motioned to adjourn; Jim Wood seconded; voted all in favor.

The meeting was adjourned at 8:20 AM.

Respectfully submitted,
April C. Steward, Assistant to the Board of Selectmen
