*Town Administrator's Report*  
*February 22, 2021*

- 1. *Cross Street/School Street Tree Improvements:*** The Highway Superintendent and I met with representatives from Tower Hill last week to look at planting evergreens along the property line just south of the house located at 696 Cross Street. This would bring back a natural treed buffer between the house located there and the new intersection at Cross Street and School Street. Tree plantings should take place early in spring.
- 2. *Chapter 90 Funds:*** I received our Mass DOT Chapter 90 apportionment for Fiscal year 2022. We will be receiving \$201,381.00, which is \$291 more than last year.
- 3. *Rte. 140 Closure:*** Rte. 140 North of the Rte. 140, Rte. 70 intersection will be closed tomorrow, and then again on Monday, March 1<sup>st</sup> for filming. The detour around the road closure will be Paul X. Tivnan to Maple Street in West Boylston which will loop you around and back onto Rte. 140 in West Boylston.
- 4. *Warrant:*** This is a reminder that the Annual Town Meeting warrant is open until March 8<sup>th</sup>. If you have any articles for the warrant, please get them into me before the close date.
